LEGISLATIVE COUNSEL'S DIGEST

AB 2160, Baldwin. State expenditures.

(1) Existing law authorizes the State Board of Control to limit the amount, time, and place of expenses and allowances to be paid to state officers and employees while traveling on state business; govern the presentation and audit of claims against the state; and govern other various matters relating generally to payment of state funds.

This bill would delete the board from various responsibilities, in some cases require other state agencies, including the Treasurer, the Department of Personnel Administration, and the Director of Finance, to fill those duties, and make other related changes.

(2) Existing law provides that at the request of one or more specified employees of any institution within the Department of the Youth Authority, the State Department of Mental Health, and the State Department of Developmental Services, these departments may, at their option, provide, within the grounds of the institution, meals and subsistence for employees who do not reside within the institution, or living facilities, meals and subsistence for employees who reside within the institution. Existing law also permits these entities to make a reasonable charge for all facilities taken by or furnished to employees, to be determined by the State Board of Control, and to be deducted from the salary of the employee.

This bill would repeal these provisions.

(3) The bill would incorporate additional changes in Section 45655 of the Revenue and Taxation Code made by SB 1832 only if both bills are chaptered and this bill is chaptered last.

The people of the State of California do enact as follows:

SECTION 1. Section 1722 of the Business and Professions Code is amended to read:

1722. The amount of seven hundred dollars (\$700) of the fund shall constitute a revolving fund and may be drawn upon the warrant of the president and secretary of the board without being audited in the usual manner, in cases of emergency or where cash advances are necessary. However, after the sum of seven hundred dollars (\$700) has been so expended, no further warrant shall be drawn on the revolving fund until expenditures previously made from it shall be substantiated by vouchers and itemized statements and audited. All expenditures from the revolving fund shall, at the end of each fiscal year, or at any other time when demand therefor is made by the Director of Finance or by the State Controller, be so substantiated and audited unless previously done.

SEC. 2. Section 2204 of the Corporations Code is amended to read:

2204. (a) Upon the failure of a corporation to file the statement required by Section 1502, the Secretary of State shall mail a notice of that delinquency to the corporation. The notice shall also contain information concerning the application of this section, advise the corporation of the penalty imposed by Section 19141 of the Revenue and Taxation Code for failure to timely file the required statement after notice of delinquency has been mailed by the Secretary of State, and shall advise the corporation of its right to request relief from the Secretary of State because of reasonable cause or unusual circumstances that justify the failure to file. If, within 60 days after the mailing of the notice of delinquency, a statement pursuant to Section 1502 has not been filed by the corporation, the Secretary of State shall certify the name of the corporation to the Franchise Tax Board.

(b) Upon certification pursuant to subdivision (a), the Franchise Tax Board shall assess against the corporation the penalty provided in Section 19141 of the Revenue and Taxation Code.

(c) The penalty herein provided shall not apply to a corporation that on or prior to the date of certification pursuant to subdivision (a) has dissolved or has been merged into another corporation.

(d) The penalty herein provided shall not apply and the Secretary of State need not mail a notice of delinquency to a corporation if the corporate powers, rights, and privileges have been suspended by the Franchise Tax Board pursuant to Section 23301, 23301.5, or 23775 of the Revenue and Taxation Code on or prior to, and remain suspended on, the last day of the filing period pursuant to Section 1502. The

Secretary of State need not mail a form pursuant to Section 1502 to a corporation if the corporate powers, rights and privileges have been so suspended by the Franchise Tax Board on or prior to, and remain suspended on, the day the Secretary of State prepares the forms for mailing.

(e) If, after certification pursuant to subdivision (a), the Secretary of State finds (1) the required statement was filed before the expiration of the 60-day period after mailing of the notice of delinquency, or (2) the failure to provide notice of delinquency was due to an error of the Secretary of State, the Secretary of State shall promptly decertify the name of the corporation to the Franchise Tax Board. The Franchise Tax Board shall then promptly abate any penalty assessed against the corporation pursuant to Section 19141 of the Revenue and Taxation Code.

(f) If the Secretary of State determines that the failure of a corporation to file the statement required by Section 1502 is excusable because of reasonable cause or unusual circumstances that justify the failure, the Secretary of State may waive the penalty imposed by this section and by Section 19141 of the Revenue and Taxation Code, in which case the Secretary of State shall not certify the name of the corporation to the Franchise Tax Board, or if already certified, the Secretary of State shall promptly decertify the name of the corporation.

(d) Any person performing voluntary services at or for a recreational camp, hut, or lodge operated by a nonprofit organization, exempt from federal income tax under Section 101(6) of the Internal Revenue Code, of which he or she or a member of his or her family is a member and who receives no compensation for those services other than meals, lodging, or transportation.
